

## Zeller Speller #14

### Fun things to do

Here's some other stomach sayings. See if you can fill in the blank using the four words listed below.

a) an \_\_\_\_\_ marches on its stomach  
a group of soldiers or workers can only fight or function effectively if they have been well fed.

b) having not eaten  
we all know that shopping on an \_\_\_\_\_ stomach is bad for your wallet.

c) on a full stomach  
after having eaten: I always \_\_\_\_\_ better on a full stomach.

d) a strong stomach  
an ability to see or do \_\_\_\_\_ things without feeling sick or squeamish  
be warned, you'll need a strong stomach.

**empty   unpleasant   army   think**
